BACK	Place your design within 'Artwork' layer and delete 'Guide' layer once finished.     Failure to remove guide layer will result in template printing over artwork design.  Please ensure:      Colour: CMYK (RGB will be converted)     Fonts: Embeded or converted to outlines     Image Resolution: 300dpi or higher Crop marks and 3mm bleed are included     Accepted format: PDF (one file)  Please upload one PDF including two copies of artwork-one with cutter guide visible and one without.  Passe with a state of the product once cut.  Finished Size - This is the finished flat size of the product once cut.  Simm Bleed - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once cut.  Safe Area - We recommend keeping text and images out of the grey area, remaining in white box to allow for machine movement.  Aa  Orientation - Place artwork the same way up as text shown for orientation to be correct once assembled.		BYCK
