To avoid production delays, ensure artwork conforms to the following guidelines:

One PDF with **blank pages** where no print is required. PDF should be created in **CMYK colour mode** with **crop marks** and **3mm bleed**. Fonts should be **embedded** or **converted to outlines**. Images should be **300dpi** or higher.

The diagram shows a large rectangular frame with a green border. Inside this frame, there are two smaller rectangular regions, each with a blue border. A vertical dashed red line runs down the center, separating the two regions. The left region is labeled with the number '2' and the right region is labeled with the number '3'.
